# ARTIST ESSENTIALS

## PERFORMANCE SKILLS WORKSHOPS & CAMPS

Jilla Webb, the reknowned vocal performer and live performance producer of Troy University's POPulus, is offering customizable workshops and camps teaching everything from vocal techniques & breathing, to stage performance skills designed to elevate the individual as well as strengthen your ensembles and program.

Each event is tailored to your group's specific needs, strengths, and direction. The best part...she comes to you. It's fun, its easy, it works.
